

Section 7: Community Participation Program

To demonstrate the level of community participation and plans for future public input we've included the adopted Community Participation Plan. Also included is a list of meeting dates for all three CAGs and the future meeting schedule for the Ormond Scenic Loop & Trail (OSL&T) CAG. sample minutes from the two former CAGs (Historic Ormond-by-the-Sea Scenic Trail and Ormond Beach Scenic Loop) and one from the time when the two groups were melding together to form the OSL&T.

Outline of the Community Participation Program

Step 1: Identified all groups and individuals that have an interest in the scenic Corridor designation.

- Those adjacent to the Corridor
